

Adding and Searching POEMS (Periodic Occupational Environmental Monitoring Summaries)

[1] Click on the POEMS link under the Location (a). To add a new POEMS click the (+) icon in the upper right of the tile (b). View a POEMS by clicking the file link directly (c).

The screenshot shows the 'Periodic Occupational and Environmental Monitoring Summary (POEMS) - Results' page. On the left sidebar, under 'Environmental Health' > 'Location', the 'POEMS' link is highlighted with a green box and callout 'a'. In the main content area, a table lists POEMS entries. The first entry has ID '759' and a file link 'POEMS for Base Camp H5 AIRFIELD - ID 759 - 20021230 to 20151231.pdf'. A green box and callout 'c' points to this file link. In the top right of the results tile, there is a '+ ' icon, highlighted with a green box and callout 'b'. Below the results table, a 'Detail' page for POEMS ID 759 is shown, containing fields for Begin Date, End Date, POEMS File, and Upload Date/Time, along with a 'Comments' section.

[2] To search for POEMS outside of a specific location use the POEMS link shown below and filter as needed.

The screenshot shows the 'POEMS - Search' page. Under 'Location Filter', the 'Filter by Country/Location(s)' radio button is selected. The 'Country' dropdown menu is open, showing a list of countries including Afghanistan, which is highlighted with a blue arrow. Below the country list, the 'Location' dropdown menu is also open, showing a list of locations in Afghanistan. A green callout box with the text 'To search beyond a single location use the link here.' points to the 'POEMS' link in the left sidebar.
