

1. Country	2. Location/Camp
3. Field/Local Sample ID	4. Sample Point
5. Collector's Name	6. Collector's Email
7. Collector's Phone No.	8. Collector's Unit

9. Sample Reason (Select One) OEHSA/Exposure Pathway(EP) (You must associate this sample with at least one Exposure Pathway) Garrison Compliance Incident Exposure Other

10. Exposure Duration (Select One) < 1 Week < 2 Weeks < 1 Year >= 1 Year

11. Exposure Notes (to include EP ID(s); Incident Description; Other Sample Reason)

12. Is Industry Around Sampling Location? (If yes, explain) Yes No Not Known

13. If Industry is Present, Is it Active? Yes No Not Known

14. Invalid Sample (See Footnote)

15. PM Type PM10 PM2.5

16. Filter ID	17. DPS Pump Serial #	18. Flow Meter Serial #
---------------	-----------------------	-------------------------

Pre/Start Sampling Period

19. Date/Time (yyyy/mm/dd) (1500)	20. Ambient Pressure inches Hg
21. Ambient Temperature deg C	22. Flow Rate L/min

23. Notes

Post/End Sampling Period

24. Date/Time (yyyy/mm/dd) (1500)	25. Ambient Pressure inches Hg	26. Ambient Temperature deg C
27. Flow Rate L/min	28. Final Sample Duration min	29. Final Volume

30. Notes

31. Geolocation: <i>Note: Classified Locations should not be entered. They should be sent with the Sample ID to usarmy.apg.medcom-phc.desp-request@mail.smil.mil</i>	32. Sampling Site Graphic
31a. Coordinates Lat/Long (Decimal Degrees)	
31b. Coordinates Lat/Long (Degrees/Minutes/Seconds)	
31c. Universal Transverse Mercator (UTM) Coordinates	
31d. Military Grid Reference System (MGRS) Coordinates	

Internal PHC Use Only

AIR - DEPLOYMENT PARTICULATE SAMPLER (DPS) FIELD DATA SHEET INSTRUCTIONS

Notations: When handwriting a zero, put a slash through it "0", if it does not have a slash "0" it will not be read as a number. When writing a "Z", put a dash through it "Z" to differentiate it from a "2". When writing a "5", make sure it does not look like an "S". Write in all CAPITAL letters if possible.

1. **Country** - Country in which camp is located.
2. **Location/Camp** - Camp name where sample was collected.
3. **Field/Local Sample ID** - Sample ID number CCC_LLLLLL_YYYYMMDD_MMMMMM## (Sample ID should also be recorded on the sample label.)
Where: CCC - Country 3 letter abbreviation code
LLLLLL - Camp abbreviation (i.e. first six letters of camp name)
YYYYMMDD - calendar day, 4 digit year, 2 digit month, and 2 digit day
[e.g. 20080124 for 24-Jan-2008].
MMMMMM - Particulate sample type (PM10DPS for PM10, PM25DPS for PM2.5, TSPDPS for TSP sampling)
- Starting at 01, increment if additional surveys are done at same location with same equipment [e.g. 01, 02, 03, etc.]
4. **Sample Point** - Specific site where sample was collected (i.e. PX, building 51, etc.), if applicable.
5. **Collector's Name** - The name of the person collecting the sample.
6. **Collector's Email** - The email address of the person collecting the sample (e.g. john.doe@us.army.mil).
7. **Collector's Phone No.** - The phone number of the person collecting the sample.
8. **Collector's Unit** - Unit collecting the sample (e.g. AML, 71st MEDDET, NEMPU2, etc).
9. **Sample Reason** - Why the sample is being collected (Select One). If OEHSA/Exposure Pathway, at least one EP ID is required for DOEHRS entry. If Incident Exposure or Other, provide description in Exposure Notes.
10. **Exposure Duration** - how long Service members may be exposed to what is being sampled. (Select One).
11. **Exposure Notes** - Any notes or comments related to service member's exposure to the sampled ambient air. Include the Exposure Pathway ID(s), Incident Description or explanation for 'Other' Sample Reason. If OEHSA/Exposure Pathway, at least one EP ID is required for DOEHRS entry.
12. **Is Industry around sampling location?** Yes, No, Not Know (Select One) if yes, please explain in the Notes field (Item 11).
13. **If Industry is present is it active?** Yes, No, Not Know (Select One).
14. **Invalid Sample** - Is the sample invalid, yes or no. If yes, state reason from the footnote
15. **PM Type** - PM10 - Particulate matter less than 10 microns, PM25 - Particulate matter less than 2.5 microns, TSP - Total Suspended Particular
16. **Filter ID** - The filter ID number located on the filter cassette (e.g. 47-05-001).
17. **DPS Pump Serial #** - The unique unit ID off the sampling pump
18. **Flow Meter Serial #** - ID of the flow meter
19. **Pre Date/Time** - Pre-sample and post-sample date (yyyy/mm/dd) and time (1500).
20. **Pre Ambient Barometric Pressure** - Pre-sample and post-sample ambient pressure in inches Hg from a barometer
21. **Pre Ambient Temperature** - Pre-sample and post-sample ambient temperature in degrees Celsius from a thermometer
22. **Pre Flow Rate** - Pre-Sample and Post-Sample flow rate in liters per minute read from Calibrator
23. **Notes** - Notes associated with industrial activities around the area, weather conditions, sandstorms, or any other notable event that could provide addition information on the sample.
24. **Post Date/Time** - Pre-sample and post-sample date (yyyy/mm/dd) and time (1500).
25. **Post Ambient Barometric Pressure** - Pre-sample and post-sample ambient pressure in inches Hg from a barometer
26. **Post Ambient Temperature** - Pre-sample and post-sample ambient temperature in degrees Celsius from a thermometer
27. **Post Flow Rate** - Pre-Sample and Post-Sample flow rate in liters per minute read from Calibrator
28. **Final Sample Duration** - Amount of time in minutes that the sample was taken.
29. **Final Volume** - Final volume read from the DPS Pump at end of sampling.
30. **Notes** - Notes associated with industrial activities around the area, weather conditions, sandstorms, or any other notable event that could provide addition information on the sample.
31. **Location** - Classified locations should not be entered. They should be sent with the Sample ID to usarmy.apg.medcom-phc.mbx.desp-request@mail.smil.mil. Enter only one of the following coordinate systems
 - a. Lat/Long (Decimal Degrees)
 - b. Lat/Long (Degrees/Minutes/Seconds)
 - c. Universal Transverse Mercator (UTM) Coordinates
 - d. Military Grid Reference System (MGRS) Coordinates
32. **Sampling Site Graphic** - Any graphical or pictorial description of the sampling site. May include digital picture(s) of the sampling. Digital picture(s) should be sent with the Sample ID to usarmy.apg.medcom-phc.mbx.oehs-data@mail.mil.
